ARTFUL FLOWERS AND GIFTS

This Buckhead shop run by a husband-and-wife team offers inspired flower arrangements featuring local and unusual blooms—plus a shop full of eclectic housewares and accessories. An urban but rustic vibe predominates, and floral motifs abound. We love Hable Construction's pillows, John Derian's decoupage pieces, and vintage French ribbons sold by the yard.

GLASS PAPERWEIGHT, \$62, JOHN DERIAN

LETTERPRESS TAGS, \$3 EACH, HABLE CONSTRUCTION
